

# Boone County Fire Protection District Paramedic Education Program

## 2017 Hybrid Track APPLICATION

The Boone County Fire District does not discriminate on the basis of race, color, religion, national origin, gender, sexual orientation, disability, age or marital status in any of its policies, procedures, or practices. This nondiscrimination policy covers admission, employment and access to all Fire District programs and activities. Student rights, as delineated by law, are protected in all cases.

**Revised October 31, 2016**

## **COURSE DESCRIPTION**

A variety of learning environments are utilized including didactic (classroom), practical skills laboratory, simulation, case studies, independent online study and supervised clinical experience. "Hybrid Track" class sessions are scheduled every other week for 24 sessions. Students are assigned to a particular "section" that meets on designated days. Much like the EMS work environment, students may, on occasion, arrange to trade class sessions with students from another section. Sections are made up of one or two groups of no more than 5 students. Groups are coached by a faculty member in the lab and simulation settings. This format provides a highly effective learning experience. The independent / online didactic portion of the program requires approximately 300 hours of work. In addition, students should expect to commit additional hours working independently or with other students outside the classroom. The clinical experience portion of the course is expected to require a minimum of 500 additional hours and includes hospital / ER clinical sessions followed by the field phases.

## **COURSE LOCATION**

Boone County Fire Protection District Headquarters (Northeast Classrooms)  
2201 I-70 Drive NW , Columbia, Missouri 65202

## **APPLICANT REQUIREMENTS:**

- Be at least 18 years of age
- Have at least a high school diploma or GED
- Have a valid Missouri EMT license no later than January 1, 2018.
- Be of good mental and physical health and able to lift and carry 100 to 150 pounds.
- Demonstrate proof of immunizations required for authorization to begin the clinical experience portion of the course. Details are available in the course's student handbook and will be presented at the first class session. Immunization records are not to be submitted with application but will be requested during the second semester of the course.
- Complete the background investigation. Applicants with records of felonies or misdemeanors may apply for enrollment in the class. However, it is possible that certain types of convictions may prohibit the issue of a license, regardless of class completion. The Boone County Fire Protection District cannot make determinations about licensure eligibility. Questions on specific matters related to this issue should be directed to the Missouri Department of Health and Senior Services Bureau of Emergency Medical Services at <http://health.mo.gov/safety/ems/>. The criminal background check is a requirement of our clinical sites. Students who are ineligible to

participate in clinical sessions due to issues in their criminal background check may be denied admission.

## **COURSE FEE / TUITION**

**Tuition \$6,000.00** Tuition is payable to the Boone County Fire Protection District. An application is not considered to be complete until at least the first payment of \$1,500.00 is received. Payment can be made by cash, check, Visa or MasterCard. There is a 1.5% processing fee for payments made by credit card. Tuition **includes a non-refundable \$50 application fee** that covers background checks and administrative services. This application fee is applied toward tuition.

Enrollment is limited in order to maximize the student experience. Thus, while a tuition payment plan is available, a commitment to full tuition is necessary. Failure to maintain satisfactory payment status will result in suspension from classroom and online activities. Payment issues are handled by the BCFPD Administrative Bureau. Contact the Administrative Services Bureau Director Shawna Schnieders at [sschnieders@bcfdmo.com](mailto:sschnieders@bcfdmo.com) for details on the payment plan.

The course tuition includes textbooks, software package access codes, the required uniform shirts for the clinical experience portion of the program and costs of the required background and drug screenings. Costs for the National Registry testing are not included in the tuition. Students must provide, at their cost, the required clinical experience uniform pants, boots and jackets / coats. The cost of these common items is not included in the tuition because they are frequently items that many students already own. Details are provided in the student handbook.

Partial refunds will be considered when a written cancellation request is received. Requests should be submitted in person, by electronic mail or by postal service mail to the Boone County Fire Protection District. There will be no refund requests accepted after 5 pm on **September 1, 2017**. Any refunded amount would include a reduction based on the costs of background checks, text books, user accounts and any material or resource that cannot be reused. Students who remain in the program beyond the September 1, 2017 deadline are committed to paying the full tuition because they have consumed one of the limited spots in the class.

## **ADMISSIONS**

Completed application forms with supporting documentation are to be submitted to the Boone County Fire Protection District Headquarters at 2201 I-70 Drive Northwest, Columbia, MO 65202.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA.

## **BACKGROUND SCREENING**

Included with this application is a State of Missouri Caregiver Background Screening form. You may fill the form out however do NOT sign the form until you are in the presence of a notary. This form must be notarized at the time of signature. Boone County Fire Protection District has a notary on staff; therefore you may have the form notarized when you turn in your application. Otherwise you may make other arrangements for proper notary to be done elsewhere. The original notary must be turned in with application in order to be fully processed.
